This form is to be used to request a waiver to the program entry requirements for a computer science program (including the Computer Science Specialist and Major, Bioinformatics Specialist, and Information Security Specialist).

To apply for a waiver, you must (a) apply to the POS on Acorn and (b) submit this form. To submit the form, complete Part A, print the entire form, and bring it to the undergrad counselor in Deerfield Hall 3012 before the end of the program request period.

You will receive a response by email once your waiver request is processed. Most waivers will be processed within one month of the end of the program request period.

---

**Part A** (to be completed by the applicant)

Surname: ___________________________  Given Name(s): ___________________________

Student Number: ________________________________

Email Address: ____________________________@mail.utoronto.ca

Program(s) Requested: ________________________________________________________________

*The faculty reviewing your request will consider your recent (the last year or two years) academic performance, including GPA, course load, and performance in specific courses. By signing below, you are providing consent for your academic record to be reviewed as part of the decision process.*

Signature: ___________________________  Date: ________________
