| CSC148H5Y – Introduction to Computer Science | 160 each | 2 | TA support is expected to be approximately 54 hours per 30 students enrolled. | May – August 2019  
LEC0101:  
Wed 9:00 – 12:00  
LEC0102:  
Fri 14:00-17:00 | M.Sc. or higher qualification in Computer Science or a related field. Advanced comprehension of the subject matter as evidenced by research activity and/or advanced teaching experience. Strong organizational, interpersonal, and communication skills. Demonstrated evidence of excellence in teaching preferred. Preference will be given to candidates with demonstrable currency and mastery. | Responsible for all aspects of delivering a university credit course including: developing and delivering lectures; preparing tutorials, assignments, tests, and marking schemes; maintaining a course website; providing appropriate contact time outside of class to students through office hours, emails, the course website, and/or the course discussion board; writing the TA contract(s) for the course and supervising the TAs; managing the grading for the course, which is largely done by TAs; doing any grading not handled by TAs; invigilating the final exam; managing the grades and submitting the final course grades; dealing with student petitions; and setting and grading a make-up exam if required. While there is a lot of room for creativity in course delivery, instructors will be expected to follow the basic content and style used by the faculty members who normally teach the course. |

Rate of pay for Course Instructor is $9,688.25 for half course (inclusive of 4% vacation pay).

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

**Application Process:** If interested, please reply to: jobsmcs.utm@utoronto.ca with the following information, in text, PostScript, or Portable Document Format:
- your current CV, including a clear description of your teaching experience;
- which courses you are interested in, indicating any preferences
- your current status; your department; your research area
- the name and e-mail address of at least one reference who can comment on your teaching ability.

If during the application and/or selection process you require accommodation due to a disability, please contact Prof. Daniel Zingaro: daniel.zingaro@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

Prepared February 15, 2019
This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office.

**Note:** Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist. Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.
