

# MATH CIRCLES

## DO YOU LIKE MATH?

Math Circles is a FREE weekly enrichment program that explores fun and interesting problem solving using Mathematics. Each week participants explore new topics introduced by different faculty members within the University.

Are you a student in grade 10 to 12, who is interested in Mathematics and are looking to challenge yourself? Then this program is for you!

Visit [www.utm.utoronto.ca/mcs](http://www.utm.utoronto.ca/mcs) for additional details, dates, the registration form and sample problems.

WEDNESDAYS 6:30pm to 8:30pm

PIZZA provided!

Limit of 20 students - register early!
