

Better Future, Better Off

BUILDING THE ECONOMY OF EVERYONE

I gained a wealth of knowledge...

Biggest Takeaway

Financial Institutions are massive and integral organizations to society who have the largest impact on environmental and social reform through these three areas

Major Projects & Responsibilities

<p>Reporting Initiatives</p> 	<p>Partnership and Signatory Support</p> 
<p>Internal Education</p> <p>Attended internal learning sessions where I was educated on different departments and operations within the bank. I also assisted in preparing internal presentations about our Sustainable Business Strategy, which allowed me to support the continuous task of aligning our strategy with other internal business operations.</p>	<p>Communications</p> <p>Assisted in finding content and internal initiatives/projects that would align with our Sustainable Business Strategy, where it was amplified externally on 3BL, and also on our internal communications platform, Workplace.</p> 
<p>Editorials</p> <p>Curated and edited editorials for the Scotiabank Sustainable Business Website as well as for the 2018 Global Compact, Global Goals Yearbook.</p> 	<p>Webinars</p>
