3. Presentation of Minor Curriculum Change Proposals <ul style="list-style-type: none">• Mathematical & Computational Sciences, Department of• Psychology, Department of	2:40 – 4:00 PM
4. Reminders <ul style="list-style-type: none">• International Component Tagging <i>* Please take this back to your units and ensure all instructors that teach INTL courses have this information.</i> <p>INTL-R: The international component (trip) is canonical to the course and MUST run every time the course is offered. Every student enrolled in the course must attend the trip. Assessments in the course may or may not involve evaluation of academic performance during the trip and/ or submission of academic work directly related to content/ experiences from the trip.</p> <p>INTL-O: The international component (trip) is canonical to the course but does not need to run every time the course is offered. When offered, attendance on the trip is optional for</p>	

students. Assessments in the course cannot require participation on the trip and/ or content covered during the trip unless equivalent alternative assessments are available to those not on the trip.

- **Course Experience Tagging**

A reminder that the upcoming May 2022 meetings are a good time to bring forward proposals for course experience tags from existing offerings, if you have not already done so. Units that have yet to undergo this exercise can reach out to the Program & Curriculum Unit to request a meeting if they wish feedback on their initial assessments.

Next Sciences Divisional Curriculum Committee Meeting (tentative):

May 10, 2022
10:00 - 12:00 pm
