DIGITAL ENTERPRISE MANAGEMENT (HBA)

Institute of Communication, Culture, Information & Technology

Digital Enterprise Management (DEM) graduates are in high demand! DEM provides students with the skills and knowledge for utilizing digital technologies to solve business management and organizational problems in creative and innovative ways. Students study, build, and critically analyze enterprise-grade emerging technologies in addition to studying the traditional managerial fields such as finance, law, economics, organizational studies, risk management, design, and project management. Understanding the challenges and demands of managing organizations that use and/or develop digital technologies will prepare students for both traditional and digital enterprises.

ICCIT students also have the opportunity to concurrently complete a Professional Experience Certificate in Digital Media, Communication, and Technology that includes paid work placements where students will integrate in-class education and related work experience.

MAKE THE MOST OF YOUR TIME AT UTM!

We want to help you maximize your university experience, so we’ve pulled together information and interesting suggestions to get you started, although there are many more! As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are mentioned. In fact, activities such as joining an academic society, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study at UTM. Read through the chart and create your own plan using My Program Plan found at www.utm.utoronto.ca/program-plans

Program of Study (POSt)

- Specialist Program ERSPE1307 Digital Enterprise Management (Arts)

**DEMO SPECIALIST Program Plan**

**1ST YEAR**
- Enroll in courses CCT109H5, 110H5 and 112H5.
- Choose a program of study (Subject POS) once you complete 4.0 credits. Use the Degree Explorer and the Academic Calendar to plan your degree.
- Develop foundational academic skills and strategies by enrolling in a StmONE course. Build community and gain academic support through LAUNCH. Join a RGASC Peer Facilitated Study Group.

**2ND YEAR**
- Enroll in courses CCT203H5, 206H5, 219H5, 221H5, 224H5, 225H5 and 261H5.
- Throughout your undergraduate degree:
  - use the Degree Explorer to ensure you complete your degree and program requirements.
  - see the Office of the Registrar and the ICCIT Undergraduate Program Coordinator.
- Use the Co-Curricular Record (CCR). Search for opportunities beyond the classroom, and keep track of your accomplishments.
- Attend the Get Hired Fair through the Career Centre (CC) to learn about on- and off-campus opportunities.
- Attend the Experiential Education Fair.

**3RD YEAR**
- Enroll in courses CCT321H5, 324H5, 325H5, 328H5, 354H5, 355H5 and 361H5. Attain an additional 2.0 credits from any 300/400 CCT or MGD courses.
- Consider applying for Research Opportunity Program (ROP) courses CCT399Y and CCT499Y. Visit the EEU website for ROP Course Prerequisites. Attend the RGASC’s PART to enhance your research skills.
- Interested in information technology consulting? Why not enroll in CCT341H5 and gain experience working for a real client?
- Attend an ICCIT Internship Information Session and learn more about internships. Check your email for details.

**4TH OR FINAL YEAR**
- Log on to ACORN and request graduation.

**BUILD SKILLS**
- Networking simply means talking to people and developing relationships with them. Start by joining the Digital Enterprise Management Association. Follow the department @citimotu.
- Visit the UTM Library Reference Desk.
- Participate in International Education Week and engage in programs like Global and Intercultural Fluency Training Series (GIFTS) to build on your leadership and communication skills in global citizenship.

**BUILD A NETWORK**
- Engage with the many programs offered by the International Education Centre (IEC), whether you are an international or domestic student. Consider joining the Canada Eh? day trips or English Language Conversation Circles to deepen your global mindset.
- First-year international students can also take advantage of THRIVE, a one-day conference dedicated to helping you start your UTM journey successfully.
- Attend the Program Selection & Career Options workshop offered by the Office of the Registrar and the CC.
- Check out Careers by Major at the CC to see potential career options.

**BUILD A GLOBAL MINDSET**
- Explore careers through the CC’s Job Shadow Program.
- Considering further education? Attend the CC’s Graduate & Professional Schools Fair. Talk to professors - they are potential mentors and references.

**PLAN FOR YOUR FUTURE**
- What’s your next step after undergrad?
- Market your skills to employers. Get your resume critiqued at the CC. Attend the CC workshop Now That I’m Graduating What’s Next?
- Write a strong application for further education. Attend the CC’s Mastering the Personal Statement workshop.
- Ready to transition from the classroom to the workplace? Check out the Recent Graduate Opportunities Program.

**HOW TO USE THIS PROGRAM PLAN**
Read through each year. Investigate what appeals to you here and in any other Program Plans that apply to you.
Visit www.utm.utoronto.ca/program-plans to create your own plan using My Program Plan.
Update your plan yearly.

Skills developed in DEM

To be competitive in the job market, it is essential that you can explain your skills to an employer. Visit the Career Centre to learn how to articulate and market the following skills:

**Communication:** present ideas clearly and in a persuasive manner; mediate and negotiate conflicts; public speaking; and write effective business documents.

**Leadership:** manage teams effectively; motivate and provide constructive criticism; and build and maintain relationships.

**Technical:** understanding of business terminology and the technologies underlying digital businesses; knowledge of the operations and challenges faced by digital enterprises; and use software applications to solve business problems.

**Decision-making:** evaluate and prioritize, as well as flexibility to change and innovation.

Get involved

Check out the 100+ student organizations on campus. Here are a few:

FUTURE STUDENTS

Admission to UTM

All program areas require an Ontario Secondary School Diploma, or equivalent, with six Grade 12 U/M courses, or equivalent, including English. The admission average is calculated with English plus the next best five courses. The approximate average required for admission is mid- to high-70s. More information is available at utm.utoronto.ca/viewbook.

**NOTE:** During the application process, applicants will select the Communication, Culture, Information + Technology admissions category but will not officially be admitted to a formal program of study (Specialist, Major, and/or Minor) until after first year.

Sneak Peek

What is the role of computers and communication systems in modern organizations? Find out in CCT225H5! You'll learn how to use computer-based systems to support information requirements for problem solving and managerial decision-making.

What laws govern digital media? Learn about copyright, trademark and patent law for digital media in CCT206H5.

Students in our program will gain an understanding of the technologies that underlie digital businesses and the managerial challenges and techniques appropriate for being active and valuable participants in digital enterprises.
