

ART & ART HISTORY (HBA)

Department of Visual Studies

The **UTM and Sheridan joint Art & Art History program** is the longest standing partnership of its type in Canada. It combines the study of art history at UTM with studio art courses at Sheridan Institute. Incoming students are enrolled immediately in a studio arts curriculum. The program offers six core studios that students complete in their initial two years of study: drawing, painting, sculpture/installation, print media, design and photography. Courses in Art History at the UTM campus provide students with the opportunity to engage in the academic study of art and architecture. Students graduate with two prestigious and practical credentials that reflect the program's dual focus: an Honours Bachelor of Arts from the University of Toronto and a Diploma in Art & Art History from Sheridan.

MAKE THE MOST OF YOUR TIME AT UTM!

We want to help you maximize your university experience, so we've pulled together information and interesting suggestions to get you started, although there are many more! As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are mentioned. In fact, activities such as joining an academic society, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study at UTM. Read through the chart and create your own plan using **My Program Plan** found at www.utm.utoronto.ca/program-plans
