

# PSY270H5 S – Introduction to Cognitive Psychology

Tuesday 9:00am – 12:00pm

ROOM: IB 120 (Instructional Centre)

## Contact Information

**Course Instructor:**

**Dr. Keisuke Fukuda**

[keisuke.fukuda@utoronto.ca](mailto:keisuke.fukuda@utoronto.ca)

**Teaching Assistants:**

**Caitlin Tozios**

[caitlin.tozios@mail.utoronto.ca](mailto:caitlin.tozios@mail.utoronto.ca)

**James Kim**

[jamesjk.kim@mail.utoronto.ca](mailto:jamesjk.kim@mail.utoronto.ca)

**Office hours:**

Tuesdays: 4-5pm or by appointment

CCT 4067

## Course Description

Cognitive psychology is the study of the building blocks of how we think and reason. We need to be able to pay attention, create mental representations, remember information, manipulate knowledge and express thoughts. Thus, in this course we will discuss the fundamentals of attention, memory, problem solving, decision making and language.

## Reading Material

**Bundle with Paper textbook**

- Bundle: Cognitive Psychology: Connecting Mind, Research and Everyday Experience, Loose-Leaf Version, 4th + COGLAB 5, 1 term (6 months) Printed Access Card, 5th + MindTap Psychology with CogLab, 1 term (6 months) Printed Access Card for Goldstein  
ISBN: **9781337747516**

**... or bundle with e-textbook**

- MindTap Psychology with CogLab, 1 term (6 months) Instant Access for Goldstein's Cognitive Psychology: Connecting Mind, Research and Everyday Experience  
ISBN: **9781337100069**

## Course Webpage

The website associated with this course is accessible via <http://q.utoronto.ca>

**Note:** You don't need to create a new login for Canvas; it already knows who you are. You just need your UTORid and password. This is the same login that gets you onto the wireless network with your laptop, and the same one that you use to check your email. If you're confused about your UTORid or don't remember your password, go to: <https://www.utorid.utoronto.ca/>

## Course Evaluation

Test and Assignments	Test date and Assignment deadline	Weight
Participation	in Lectures with Top hat (Course ID: TBA)	5%
Term test 1	2/5	25%
Online lab via Coglab	2/12	10%
Mid term 2	3/12	25%
Lab report 1	3/5	5%
Lab report 2	4/2	5%
Extra credit	4/2	up to 3%
Final	TBA	25%

**Participation:** There will be several opportunities for you to actively participate in the discussion during lectures via Top hat (Course ID: TBA). To participate, please bring your smartphone/tablet/computer to lectures. For those who do not have access to Top hat, 4-month subscription (\$26) can be purchased at <https://tophat.com/pricing/>. For those who already use Top hat for other courses, there is no need for additional purchase.

**Term tests and final:** Tests are composed of multiple choice questions, fill-in-the-blanks questions, and short essays. For short essays, you are required to answer 3 out of 5 essay questions of your choice correctly in order to get a full mark. 5 questions will be posted on Canvas two weeks prior to the test date.

**Online Lab via Coglab:** You are expected to complete 10 core online experiments before the deadline. Please refer to the relevant document posted on Canvas for more details.

**Lab reports:** You are required to submit 2 lab reports based on 2 of the 10 core online experiments of your choice. Please refer to the relevant document posted on Canvas for more details. You will be turning in your lab reports online on Canvas. Your assignment will be screened for plagiarism using “Turnitin” function. Please read the following statement for the disclaimer: **“Normally, students will be required to submit their course essays to Turnitin.com for a review of textual similarity and detection of possible plagiarism. In doing so, students will allow their essays to be included as source documents in the Turnitin.com reference database, where they will be used solely for the purpose of detecting plagiarism. The terms that apply to the University’s use of the Turnitin.com service are described on the Turnitin.com web site”.**

**Extra credit:** You may complete 2 extra online experiments of your choice and write their lab reports. Each report turned in by deadline can earn up to 1.5% of total grade.

## IMPORTANT COURSE POLICIES \*\*PLEASE READ\*\*

### Missed Test Special Consideration Request Process

Students who miss a test due to circumstances beyond their control (e.g. illness or an accident) can request that the Department grant them special consideration. Students must present their case to the Department (NOT the Instructor) by submitting a request via the online Special Consideration Request form at: <https://utmapp.utm.utoronto.ca/SpecialRequest>.

Students are to submit original supporting documentation (e.g., medical certificates, accident reports, etc.) to the Psychology Academic Counselor or drop it in the drop box located outside the Psychology office, Deerfield Hall, 4th Floor. Students have up-to one week from the date of the missed test to submit request. Late submissions will NOT be considered without a letter of explanation specifying and documenting the reasons for the lateness.

Medical certificates or physician's notes must be completed by the Physician and MUST include the statement "This Student [name] was unable to write the test on [date(s)] for medical reasons". This documentation must show that the physician was consulted within one the day of the missed term test. A statement merely acknowledging a report of illness made by the student to the physician is NOT acceptable. For further information on this procedure please see: <http://www.utm.utoronto.ca/psychology/undergraduate-studies/missed-testslate-submissions>

If you missed your test/assignment deadline for a reason connected to your registered disability, please be advised that the department will accept documentation supplied by the UTM AccessAbility Resource Centre.

**IMPORTANT:** The Department of Psychology verifies the authenticity of medical certificates by contacting medical offices. Students are NOT to make any changes or alteration to completed medical certificates. Students who submit forged or altered documentation are subject to severe academic penalties.

**If your request is approved by the department, the value of the test will be redistributed to the final examination.**

### **Extension of Time Special Consideration Request Process**

Students who seek to be granted more time to complete their term work beyond the due date without penalty, owing to circumstances beyond their control (e.g., illness, or an accident), must do so by submitting a request directly to the Instructor for the period up to and including the last day of the term. The decision as to whether or not to apply a penalty for the specified period rests with the Instructor.

Students who seek to be granted more time to complete term work beyond the last day of the term must submit their request directly to the Department. This request covers the period following the last day of classes and ends the last day of the exam period. This is done by submitting a request via the online Special Consideration Request form at <https://utmapp.utm.utoronto.ca/SpecialRequest>.

**You are advised to seek advising by the departmental Undergraduate Counsellor prior to the deadline.**

Original supporting documentation (e.g., medical certificates, accident reports, etc.) must be submitted to the Psychology Academic Counselor or dropped off in the drop box located outside the Psychology office Deerfield Hall, 4th Floor. Students are expected to submit requests to the Department before the last day of the term, unless demonstrably serious reasons prevent them from doing so. In the event of an illness, medical certificates or doctor's notes must confirm that student was ill on the due date of the assignment (for a one-day extension). For a longer extension, documentation must specify the full duration during which academic work could not be carried out.

For extensions of time beyond the examination period you must submit a petition through the Office of the Registrar. <http://www.utm.utoronto.ca/registrar/current-students/petitions>

## Penalties for Lateness

A penalty of 10% per calendar day (i.e., including week-ends and holidays, during which students are not able to submit term work) up to and including the last day of classes, will be applied by the Instructor. After the last day of classes, the penalty of 10% per calendar day will be applied by the Undergraduate Counsellor on behalf of the Department. No penalty will be assigned if request for special consideration, described above, was successful.

## Academic Guidelines

It is your responsibility to ensure that you have met all prerequisites listed in the UTM Calendar for this course. If you lack any prerequisites you WILL BE REMOVED from the course up until the last day to add a course. Further information about academic regulations, course withdrawal dates and credits can be found in the University of Toronto Mississauga Calendar at: <http://www.erin.utoronto.ca/regcal/>.

You are encouraged to read this material. If you run into trouble and need advice about studying, preparing for exams, note taking or time management, free workshops and advice are available from the Robert Gillespie Academic Skills Centre at 905-828-5406.

## AccessAbility Services

Students requiring academic accommodations for learning, physical, sensory, or mental health disabilities or medical conditions should contact the AccessAbility Office (2037B Davis Building), 905-828-3847.

<http://www.utm.utoronto.ca/accessability/>

## Academic Honesty and Plagiarism

Honesty and fairness are considered fundamental to the university's mission, and, as a result, all those who violate those principles are dealt with as if they were damaging the integrity of the university itself. When students are suspected of cheating or a similar academic offence, they are typically surprised at how formally and seriously the matter is dealt with -- and how severe the consequences can be if it is determined that cheating did occur. The University of Toronto treats cases of cheating and plagiarism very seriously. Please take the time to review the Academic Integrity website: <http://www.utm.utoronto.ca/academic-integrity/students>.

- Common trends in academic offences:
- Plagiarizing/concocted references
- Collaboration/unauthorized assistance
- Purchasing work
- Recycling work - "double-dipping"
- Resubmitting of altered work for re-grading
- Electronic devices (cell phones) or any unauthorized aids
- Altering medical certificates and UofT documents

From the Code of Behaviour on Academic Matters: "It shall be an offence for a student to knowingly: represent as one's own any idea or expression of an idea or work of another in any academic examination or term test or in connection with any other form of academic work, i.e. to commit plagiarism. Wherever in the Code an offence is described as depending on "knowing", the offence shall likewise be deemed to have been committed if the person ought reasonably to have known." All students must refer to this website to obtain information on what constitutes plagiarism. <http://www.writing.utoronto.ca/advice/using-sources/how-not-to-plagiarize>.

If questions arise after reading the material on the website, consult your instructor.

**Plagiarism will not be tolerated.**

## **Equity Statement**

The University of Toronto is committed to equity and respect for diversity. All members of the learning environment in this course should strive to create an atmosphere of mutual respect. As a course instructor, I will neither condone nor tolerate behaviour that undermines the dignity or self-esteem of any individual in this course and wish to be alerted to any attempt to create an intimidating or hostile environment. It is our collective responsibility to create a space that is inclusive and welcomes discussion. Discrimination, harassment and hate speech will not be tolerated. If you have any questions, comments, or concerns you may contact the UTM Equity and Diversity officer at [edo.utm@utoronto.ca](mailto:edo.utm@utoronto.ca) or the University of Toronto Mississauga Students' Union Vice President Equity at [vpequity@utmsu.ca](mailto:vpequity@utmsu.ca).

## **Academic Rights**

You, as a student at UTM, have the right to:

- Receive a syllabus by the first day of class.
- Rely upon a syllabus once a course is started. An instructor may only change marks' assignments by following the University Assessment and Grading Practices Policy provision 1.3.
- Refuse to use turnitin.com (you must be offered an alternative form of submission).
- Have access to your instructor for consultation during a course or follow up with the department chair if the instructor is unavailable.
- Ask the person who marked your term work for a re-evaluation if you feel it was not fairly graded. You have up to one month from the date of return of the item to inquire about the mark. If you are not satisfied with a re-evaluation, you may appeal to the instructor in charge of the course if the instructor did not mark the work. If your work is remarked, you must accept the resulting mark. You may only appeal a mark beyond the instructor if the term work was worth at least 20% of the course mark.
- Receive at least one significant mark (15% for H courses, 25% for Y courses) before the last day you can drop a course for H courses, and the last day of classes in the first week of January for Y courses taught in the Fall/Winter terms.
- Submit handwritten essays so long as they are neatly written.
- Have no assignment worth 100% of your final grade.
- Not have a term test worth 25% or more in the last two weeks of class.
- Retain intellectual property rights to your research.
- Receive all your assignments once graded.
- View your final exams. To see a final exam, you must submit an online Exam Reproduction Request within 6 months of the exam. There is a small non-refundable fee.
- Privacy of your final grades.
- Arrange for representation from Downtown Legal Services (DLS), a representative from the UTM Students' Union (UTMSU), and/or other forms of support if you are charged with an academic offence.

## Course Outline

*Please note that this outline is subject to change depending on the needs of the class (we may need additional time to cover a topic). Any changes to the syllabus will be announced in class one week before.*

Date	Topic	Reading	Assignment Due
1/8	Introduction to Cognitive Psychology and Cognitive Neuroscience	Chapter 1&2	
1/15	Perception	Chapter 3	
1/22	Attention	Chapter 4	
1/29	Short-term and Working memory	Chapter 5	
2/5	Term test 1	Chapter 1-5 & <b>Lecture slides</b>	
2/12	Long-term memory	Chapter 6	Online Lab
2/19	Reading week (No Class)		
2/26	Long-term memory (continued)	Chapter 7&8	
3/5	Knowledge & Imagery	Chapter 9&10	Lab report 1
3/12	Term test 2	Chapter 6-10 & <b>Lecture slides after Term-test 1</b>	
3/19	Language	Chapter 11	
3/26	Problem Solving	Chapter 12	
4/2	Judgement, Decision and Reasoning	Chapter 13	Lab report 2, Extra credit
TBA	Final	Chapter 11-13 & <b>Lecture slides after Term-test 2</b>	

**NOTE: This is a tentative outline and is subject to change based on the progress of the course.**

**Final exam:** During exam period, it is the student's responsibility to be available for the entire exam period.
