

UTM Student Recognition Award of Achievement

Description:

The UTM Student Recognition Award of Achievement (formerly The Erindale College student Endowment Award) was created with funds raised during the Erindale College Scholarship Campaign. As a part of this campaign, the University of Toronto Mississauga Students' Union (UTMSU), formally referred to as the Erindale College Students' Union, led a referendum in which the full-time students of the University of Toronto Mississauga (formerly Erindale College) voted in favor of a \$5.00 annual contribution from students between 1985 and 1992.

The award recognizes student academic achievement as well as campus and/or community involvement during the 2020-2021 academic year. The number of awards and values differ annually based on funds available and the number of qualified applicants. Recipients of this award are chosen by the UTM Student Recognition Award of Achievement Committee, comprised of students serving on the UTMSU.
