

Chemical and Physical Sciences

Name of Award	Department	Year	Financial Need	Conditions of Award	Selection of Award
The Igor Bolta Scholarship in Chemistry	Chemical and Physical Sciences	II	N	<p>Awarded to the full-time second year student with the highest standing in CHM242H (Introductory Organic Chemistry) and high overall Standing.</p> <p>The winner will be required to return to full-time studies in third year of the Major Program in Chemistry.</p>	Departmental Recommendation
The Chemical Institute of Canada Book Prize	Chemical and Physical Sciences	III and above	N	<p>Awarded to the student who has completed their third year with a high academic standing in Chemistry.</p> <p>Registration in the following session is not required.</p>	Departmental Recommendation
The Chemical Institute of Canada Silver Medal	Chemical and Physical Sciences	III	N	<p>Awarded to the third year student with the highest standing in a specialist program involving Chemistry. The winner must have an otherwise satisfactory standing.</p> <p>Registration in the following session is not required.</p>	Departmental Recommendation

<p>Petar Hein Award in Physics</p>	<p>Chemical and Physical Sciences</p>	<p>Any</p>	<p>Y</p>	<p>Awarded to a full-time UofT Mississauga student registered in a Physics program on the basis of financial need. Preference will be given to students enrolled in a major program in Physics.</p> <p>Further registration is not required.</p>	<p>Application required, or recipients must have been identified as having financial need based on the University's criteria.</p>
<p>David Kobluk Memorial Scholarship</p>	<p>Chemical and Physical Sciences</p>	<p>III or above</p>	<p>N</p>	<p>Awarded to the student who has obtained the highest grade in ERS325H (Field Camp I). The minimum grade for consideration is 75% and the student must otherwise be in good standing.</p>	<p>Departmental Recommendation</p>
<p>The Carl Manning Prize</p>	<p>Chemical and Physical Sciences</p>	<p>II or above</p>	<p>N</p>	<p>Awarded to the student specializing in any of the Chemistry programs who has the highest standing in Chemistry 242 and who has an otherwise satisfactory standing.</p>	<p>Departmental Recommendation</p>

<p>John Pounder Prizes in Astronomy at Erindale College</p>	<p>Chemical and Physical Sciences</p>	<p>I or II</p>	<p>N</p>	<ol style="list-style-type: none"> 1. Awarded to a full-time or part-time first year student who has obtained the highest grade "A" standing in AST101H, and who has obtained at least a 3.0 Sessional GPA in first year. 2. Awarded to a full-time or part-time first year student who has obtained the highest grade "A" standing in AST110H and who has obtained at least a 3.0 Sessional GPA in first year. 3. Awarded to a full-time or part-time first or second year student who has obtained the highest grade "A" standing in AST201H. <p>Full-time student must have at least a 3.0 Sessional GPA in the current year. Part-time student must have at least a 3.0 Cumulative GPA.</p>	<p>Departmental Recommendation</p>
<p>The James J. Rae Chemistry Prize</p>	<p>Chemical and Physical Sciences</p>	<p>Any</p>	<p>N</p>	<p>Awarded a full-time student who obtained the highest standing in CHM140Y and is otherwise in satisfactory academic standing.</p> <p>No further registration is required.</p>	<p>Departmental Recommendation</p>

Lawrence V. Redman Prize in Chemistry (Erindale)	Chemical and Physical Sciences	I	N	Awarded to a student with outstanding results from CHM140Y.	Departmental Recommendation
The Society of Chemical Industry Merit Award (Canadian Section)	Chemical and Physical Sciences	IV	N	Awarded to the student who has achieved the highest standing in the fourth and final year of a specialist program involving Chemistry alone, or in combination with, allied subjects such as Physics, Mathematics, Geology, Biochemistry, etc. In addition to completing such a program within four years, the student must have attained a minimum average of 75%.	Departmental Recommendation
H.W. Taylor Award in Physics	Chemical and Physical Science	Any	Y	Awarded to a full-time student registered in the Physics program at UofT Mississauga on the basis of financial need. Academic merit will also be considered. Preference will be given to students enrolled in a major program in Physics.	Application required or recipients must have been identified as having financial need based upon the University's criteria

<p>The Isabel and Tuzo Wilson Scholarship</p>	<p>Chemical and Physical Sciences</p>	<p>II or III</p>	<p>N</p>	<p>Awarded to an outstanding full-time student who is taking courses in Geological Sciences and who is entering either second or third year with priority given to the second year. Registration in the following winter session is a requirement of this award.</p>	<p>Departmental Recommendation</p>
<p>Rubbermaid Canada Inc. Award in Chemistry</p>	<p>Chemical and Physical Sciences</p>	<p>Admission</p>	<p>Y</p>	<p>Awarded to an outstanding newly admitted high school student with an interest in studying in Chemistry. Financial need is a requirement.</p>	<p>Application required or recipients must have been identified as having financial need based upon the university's criteria</p>
<p>The Frederick R. Burton Scholarship in Earth Sciences</p>	<p>Chemical and Physical Sciences</p>	<p>II</p>	<p>N</p>	<p>Awarded to the full-time or part-time second year student specializing in Earth Science who obtains the highest standing in the courses required for the program. The student must be otherwise in good standing. Registration in third year of the Earth Science specialist program is required.</p>	<p>Departmental Recommendation</p>

Toronto Biotechnology Initiative Award	Chemical and Physical Sciences	Any	N	Awarded to the undergraduate student who has achieved the highest academic standing in a series of biotechnology courses/program at UofT Mississauga	UTM Associate Dean (Sciences)
Moore Awards in Chemistry, Geology and Physics	Chemistry, Earth Science, Physics	II	N	Awarded to three second year students, each in Chemistry, Geology and Physics specialist programs on the basis of academic achievement	Recommendation of the Chair
