Step 1

Visit https://q.utoronto.ca/enroll/FAHLL and click on the “Go to the Course” button after you login:

Enroll in Career Centre - Know yourself

You have successfully enrolled in Career Centre - Know yourself.

Step 2

Access the Program Selection & Career Options Webinar by clicking on one of the two links below. The powerpoint presentation slides are viewable, along with accompanying audio.

Workshop Notice:

During this period that the University of Toronto is physically closed, our workshops have been moved online. The following webinars are available:

- Career Exploration Part 2 (will be available by Friday March 27)
- Program Selection and Career Options - Arts and Science
- Program Selection and Career Options - Commerce and Management

If you are interested in doing self assessment and career planning, please see below.

A course designed by the Career Centre to help you with questions about what to do after you graduate. This course is a starting point to help you articulate who you are, what you want in a career and helps you begin to develop a career plan.
