# Connecting a Student with Campus Resources

When a UTM student expresses these interests or concerns, please refer them to one or more of these UTM resources:

## Academic & Career Exploration
- **Career Centre**: career exploration & counselling, practical experience, opportunities, graduate & professional schools information
- **Office of the Registrar**: academic advising, registration & enrolment issues, course selection, degree eligibility checks, graduation requirements
- **Individual academic departments**: interests related to majors, minors & specialist programs, course options, graduate programs

## Academic Support & Performance/Grades
- **Academic Skills Centre**: academic workshops, skills diagnostics, coaching; supporting a wide range of students, from struggling academically to high academic achievers
- **Instructors & teaching assistants**: 1-to-1 discussion in office hours, labs & tutorials
- **Office of the Registrar**: academic advising, academic rule concerns (petitions), probation & suspension concerns, withdrawal from courses
- **Library**: research skills & support, individual consultations, workshops

## Disability Issues
- **Accessibility Services**: accommodations for physical, learning, sensory & mental health disabilities, medical conditions

## Diversity Issues
- **Equity, Diversity & Inclusion Office**: support for a range of diversity issues
- **Health & Counselling Centre**: gender identity & sexual orientation issues
- **Campus Faith Leaders**: faith-based support

## Family Obligations
- **UT Family Care**: info, support & workshops on family leave, childcare, elder-care

## Finances, Financial Aid & Scholarships
- **Office of the Registrar**: financial aid advising (government loans, grants), reconsideration upon dramatic changes in family support, academic scholarships for high-performing students
- **Academic departments**: scholarships in areas of academic study

## International Issues
- **International Education Centre**: study abroad, international exchange opportunities, study permits, transition issues, work eligibility, immigration support

## Involvement & Making Social Connections
- **UT & UTM student organizations**: academic societies, student governments, clubs across cultural, service, political, faith & other interests
- **Centre for Student Engagement**: leadership, service & co-curricular opportunities
- **Career Centre**: employment, volunteer & service opportunities
- **Recreation, Athletics & Wellness Department**: competitive & recreational teams, fitness classes

## Internet & Computing Issues
- **Info & Instructional Technology Services**: internet connectivity, passwords, online/remote learning tools

## Physical & Mental Health Issues
- **Health & Counselling Centre**: physicians, nurses, health educators; also counsellors for relationship issues, grieving; workshops on stress management
- **U of T Telus Health Student Support (formerly named My SSP)**: 24-hour phone, web & app support for school, health & general life concerns
- **Recreation, Athletics & Wellness Department**: broad range of casual, competitive, individual, instructional & team activities

## Safety
- **UTM Police**: emergency & safety concerns, after-hours crisis support
- **Sexual Violence Prevention & Support Centre**: safety planning, consent education
- **WalkSafer Service**: walking escorts across campus

## Time Management
- **Centre for Student Engagement**: peer-led workshops, mentors, programs

Students in UTM Residences have access to additional layers of support through that department’s student peer support team of residence dons & peer academic leaders along with on-site/live-in professional staff.

Note that university services respect student privacy & will not share confidential info with parents/families.
