A one-way shuttle trip takes **approximately 1 hour to complete, however, subject to change based on travel conditions. Departure times marked by an asterisk (*) are expected to take approximately 60-80 minutes to complete.** U of T Mississauga is not responsible for service disruptions or delays, including, but not limited to weather and traffic, which may prolong the shuttle trip. It is the passenger's responsibility to ensure they have scheduled sufficient commuting and campus travel time. Please plan your schedule accordingly.
