Referring Students To Campus Resources

<table>
<thead>
<tr>
<th>When UTM students express these interests/concerns...</th>
<th>Please refer them to these free on-campus resources.</th>
</tr>
</thead>
</table>
| **Academic or Career Exploration**                   | - UTM Career Centre (career exploration & counselling, practical experience opportunities, grad/professional schools info, understanding transferable skills)  
- Office of the Registrar (academic advising, support on course selection, degree choices, and enrolment issues)  
- Individual academic departments (interests related to majors, minors and specialist programs, course options, graduate programs) |
| **Academic Support**                                 | - Academic Skills Centre (academic workshops, skill diagnostics, coaching, academic mentors, support for students on academic probation)  
- Office of the Registrar (academic advising, petitions, probation/suspension)  
- Library (research skills & support, individual consultations, workshops) |
| **Disability Issues**                                | - UTM AccessAbility Resource Centre (accommodations for physical, learning, sensory, and mental health disabilities and medical conditions) |
| **Diversity Issues**                                 | - UTM Equity and Diversity Office (support for wide range of diversity issues)  
- UTM Health & Counselling Centre (support for gender identity and sexual orientation issues) |
| **Family Obligations**                               | - UT Family Care (info, support and workshops on family-related leaves, childcare, elder-care) |
| **Finances**                                         | - Office of the Registrar (financial aid advising, including scholarships, student loans, grants; reconsideration upon dramatic changes in family support) |
| **International Issues**                             | - UTM International Education Centre (in-bound support including study permits, eligibility to work in Canada, immigration; outbound support including: study and research abroad, international exchange opportunities) |
| **Involvement**                                      | - UTM Student Engagement (leadership and co-curricular opportunities)  
- UT and UTM student organizations (academic societies, student governments, clubs covering a range of cultural, service, political, faith and other interests)  
- UTM Career Centre (employment, volunteering and service opportunities)  
- UTM Physical Education, Athletics & Recreation Department (competitive and recreational teams, fitness classes) |
| **Physical and Mental Health Issues**                | - UTM Health & Counselling Centre (physicians, nurses, health educators; also counsellors for relationship issues, grieving; workshops on stress)  
- UTM Physical Education, Athletics & Recreation Department (range of casual, competitive, individual, instructional & team activities) |
| **Safety**                                           | - UTM Police (emergency & safety concerns, vehicle jump-starts, after-hours crisis support)  
- UTM Sexual Violence Prevention & Support Centre (harassment, stalking, assaults, consent)  
- UTM WalkSafer Service (weeknight walking escort on campus) |
| **Time Management**                                  | - UTM Student Transition (peer-led workshops, mentors, orientation programs) |

Students in **UTM Residences** have access to additional layers of support, through that department’s student peer support team of Residence Dons and Peer Academic Leaders along with on-site/live-in professional staff.

*Note that university services respect student privacy and will not share confidential info with parents/families.*
